Invitation for the Members of the Cultural Affairs Committee of the Folketing to the Caspar David Friedrich exhibition at the Pomeranian State Museum on 26 May 2024 in Greifswald, Mecklenburg-Vorpommern, Germany

Dear Mr. President,

With reference to the visit by the Committee on Science, Culture, Federal and European Affairs of our Landtag to the Cultural Affairs Committee of the Folketing, it is my pleasure to extend this invitation to the Spokesman of the Cultural Affairs Committee, Mr. Hans Christian Schmidt, and Committee members to the Caspar David Friedrich on 26 May 2024 in Greifswald.

The exhibition starts at **6 p.m. on 26 May at the Pomeranian State Museum** (Rakower Straße 9, 17489 Greifswald) and will be followed by a joint dinner hosted by the President of the State Parliament of Mecklenburg-Vorpommern Ms. Birgit Hesse to kick off the Third Meeting of the BSPC Working Group on Energy Security, Self-sustainability, Resilience and Connectivity in Greifswald.

This event could provide an opportunity to continue the expert discussions between the members of the aforementioned Committees at the Caspar David Friedrich exhibition and thus to jointly honour the 250th anniversary of this exceptional artist.

In view of the fact that only up to six members of the Landtag's Committee on Science, Culture, Federal and European Affairs may be present at this meeting, it would be suggested to convey this invitation to a corresponding number of guests from the side of the Folketing in order to ensure a balanced representation and discussion.

I would be thankful if you could pass this invitation over to Mr. Hans Christian Schmidt to be distributed among the members of the Cultural Affairs Committee of the Folketing at his discretion.

The International Secretariat of the State Parliament of Mecklenburg-Vorpommern (international@landtag-mv.de, +49 385 525 1530) will gladly provide further details and assistance with any additional questions.

Yours sincerely,
