Kære Line,

Jeg har forsøgt at ringe for at høre, hvordan det ser ud med at klarlægge dagsordenspunkter til møde ml. minister og kommissær, herunder bekræfte hhv. affaldsrammedirektiv (tekstildelen) og green claims. Desuden hører vi gerne fra Jer om, hvem der deltager ud over Kommissæren.

Slutteligt skal jeg lige have bekræftet/afkræftet, om du i samarbejde med Jonas fra Global Fashion Summit har arrangeret mødelokale samt planlagt, at der er en person, der kan vise ministeren og kommissæren til mødelokale, og videre der fra?

Venlig hilsen

Dear Ministers,

Almost three years after the adoption of the ‘Our Baltic Declaration’, the ever-changing international context has demonstrated that cooperation in the Baltic Sea is still more important than ever.

Following the ‘save the date’ of 14 April, I have the pleasure to officially invite you to the second Baltic Ministerial Conference, which will take place in Palanga, Lithuania, on 29 September 2023. The intention is to once again gather the Ministers of Environment, Maritime Economy, Agriculture and Fisheries of the EU Baltic Sea Member States.

This one-day conference will provide the opportunity to assess the implementation of the Ministerial Declaration adopted in 2020, taking stock of the progress achieved; to explore the Baltic Sea’s potential to foster a sustainable blue economy; and to target joint actions, namely on dumped munitions. All the Baltic Member States will be given the opportunity to share their views and perspectives on these matters. I would thus highly appreciate your participation and valuable contribution to this event.

The day will be broadly organised as follows (please see detailed programme in annex):

- A morning session (from 9.00 to 13.30) with a thematic roundtable discussion targeting the state of the Baltic Sea and way forward, as well as the development of a Sustainable Blue Economy, while protecting the Baltic Sea environment.
- An afternoon session (from 15.00 to 17.30) with a roundtable discussion identifying coordinated joint actions to address the issue of dumped munitions in the Baltic Sea.
- A Press Conference to announce some conclusions and common intentions on dumped munitions.
- A cocktail reception (17.30) followed by a VIP dinner (19.00 forward).

The conference will take place in the Vanagupe Hotel, located in the Northern part of the city in a 1+2 format per minister. The roundtable discussions will be held in English and while interpretation is foreseen, we kindly ask that you confirm the languages needed. A pre-booking for accommodation in the hotel of the conference has been made, for which our event organizer will contact you upon confirmation of attendance.

While you will receive more details about the logistics closer to the date, I would be grateful if you could confirm your participation by 30 June 2023 to the following address: [MARE-A3@ec.europa.eu](mailto:MARE-A3@ec.europa.eu)

It is time to think ahead and continue pursuing our objectives towards a clean, healthy and sustainable Baltic Sea and I thus look forward to further discuss the way ahead with you during this event.

Yours sincerely,

Virginijus Sinkevičius

Kære Emma

I forbindelse med Global Fashion Summit er Miljøkommissær Sinkevicius i København d. 27. juni.

Derfor vil vi høre om muligheden for et bilateralt møde med ministeren. Jeg kan forstå, ministeren også skal deltage i programmet d. 27.

Vores forslag vil derfor være, at der findes et time slot inden opening session (eks. 9.45-10.00). Eller i forbindelse med enten Royal Reception eller VIP-frokosten – således enten før eller efter.

Vi ser frem til at høre, hvad I tænker.

Alt godt,

Kære Line,

Mange tak for din mail. Efter aftale med Emma tager jeg planlægningen.

Det vil fungere fint med et møde inden opening session, og vi foreslår 9:30-10:00. I må desuden gerne give en melding, hvis I har ønsker til dagsordenspunkter samt mødested. Det kan evt. blive her i ministeriet eller på afholdelsessted for konferencen?
