Respected Madam,

I beg to state that  
my daughter <sup>Rabia Awam</sup> student of class 8<sup>th</sup> A  
has been studying in Amazeen Interna-  
tional school and I would like  
to continue this school as I  
am satisfied with the system of  
this school as we all know that it  
is private school but it is good  
for our children. It provide  
good education and besides this  
it ~~also~~ <sup>also</sup> has other activities for  
instance sports and programmes  
specially arranged by children.

Thank you
