**PARLIAMENTARY ASSEMBLY**

**ORIGINAL**

**MEMORANDUM**

**TO:** Heads of Delegation to the OSCE Parliamentary Assembly

**CC:** Secretaries of Delegation to the OSCE Parliamentary Assembly

**FROM:** The International Secretariat

**DATE:** 17 June 2005

**RE:** Supplementary Items

As indicated in previous correspondence, the International Secretariat has received two Resolutions as supplementary items related to the Nagorno Karabakh Conflict. We would now like to inform you that no compromised version of these two supplementary items has been received by the International Secretariat. The deadline for reaching a compromise expired on Wednesday 15 June.

The Assembly's Rules of Procedures (Rule 20.2) state that "If there is no agreement on a compromise draft resolution, the draft resolution which was received first shall be presented to the Annual Session and others on the same issue shall fall".

In the case of the Supplementary items on the Nagorno Karabakh Conflict, the International Secretariat received the version presented by Mr. Safarov from Azerbaijan before the one presented by Mr. Lenmarker from Sweden.

Therefore, only the supplementary item on the Nagorno Karabakh Conflict presented by Mr. Safarov will be on the agenda for consideration during the Annual Session.
