

Meeting point for Scandinavian  
biogas producers, professionals  
and policymakers

# Nordic

# Biogas Conference

8.-10. February 2006  
Helsinki, Finland

[www.nordicbiogas.org](http://www.nordicbiogas.org)

Invitation

## ***Welcome to the Nordic Biogas Conference in Helsinki***

The Nordic Biogas Conference brings together biogas producers, businesses, experts and decision makers from Scandinavia and Europe to share their experiences from various projects and visions for the future. This is an opportunity to exchange, to establish cooperation or commercial contacts and get up to date on various aspects of biogas utilization and production.

### ***Themes covered during the conference include:***

- Biogas vehicle fuel programs in Nordic cities
- Cost-effective combined heat and power
- Cooperation and commercialisation of biogas
- Enhancing biogas production

We also offer the delegates a possibility to participate in a technical tour in Helsinki region to see the Scandinavia's largest, 22 MW, landfill gas-fuelled district heating plant and the biogas-fueled CHP plant at Helsinki Water, producing 17,8 GWh annually. We also visit a gas filling station.

*We look forward to seeing  
you in Helsinki!*

**Pannu Pasanen**

Bionova Engineering

**Asa Jarvis**

Swedish Biogas Association

## **Conference Programme Highlights**

For an up-to-date program with all speakers check the conference website: [www.nordicbiogas.org](http://www.nordicbiogas.org).

### **Wednesday 8.2.2006, 9.30-17.30**

Opening by **Mauri Pekkarinen**, the Finnish Minister of Trade & Industry

#### **National traffic biofuel policies**

End of Oil, Association for Study of Peak Oil  
Biogas potential, European Natural Gas Vehicle Association  
Swedish national biofuel policy

#### **Biogas vehicle fuel programs in Nordic cities**

City of Stockholm experience with biogas  
A Finnish city's biofuel strategy

#### **Lunch 12.30-14.00**

#### **Cooperation and commercialisation of biogas**

Biogas distribution network in a city  
Biogas for district heating, YTV Waste Management

#### **Panel discussion on biogas future developments the speakers**

### **Thursday 9.2.2006, 9.00-17.00**

#### **Cost-effective combined heat and power**

Saving 1,6 MEUR in energy with CHP, Helsinki Water

#### **Enhancing biogas production**

AD for Municipal Solid Waste, Stomossen  
Building a 6 700 m<sup>3</sup> farmer's AD reactor, Biovakka  
Enhancing AD process

#### **Lunch 12.30-14.00**

#### **Upgrading and using biogas as vehicle fuel**

Landfill gas upgrading for vehicle fuel quality, Metan AB  
CNG vehicle admittance to underground spaces  
Cost of operating gas fleets

### **Friday 10.2.2006 kl.9.00-14.00**

#### **Technical tour**

Visit the Scandinavia's largest landfill gas-fuelled district heating plant at EON Finland and the biogas-fueled CHP plant at Helsinki Water. Visit to a gas filling station will also be organised. The transport will be provided by a CNG bus courtesy of Helsinki City Traffic

## Reservations :

Participation fees	Both days	One day	Finnish VAT 22% will be added to the fees. For Swedish participants enquire about payment in SEK. The fee covers participation in all of the sessions, coffee, lunch and the technical tour.
Reservation before 23. Dec 2005	395 €	230 €	
Latecomer reservation	465 €	265 €	

To register please use the form available on the conference website [www.nordicbiogas.org](http://www.nordicbiogas.org) if you experience difficulties, please contact the organisers.

## Practical information:

The conference hotel is the **Radisson SAS Seaside** in downtown Helsinki, at Ruoholahdenranta 3, 00180 Helsinki, Finland (tel +358 20 1234 707).

The delegates are responsible for booking their own accommodation. The conference web site proposes a list of hotels in the area and more practical information.

## Contact the organisers:

For questions or if you're interested in a sponsorship opportunity, please contact us!
