In addition, all members of the NATO PA Economics and Security Committee will be invited to a special OECD High Level Parliamentary Seminar on Thursday 23 February. This meeting will also engage non-NATO parliamentarians in a dialogue on Employment Challenges facing the OECD with a particular focus on migration issues and social welfare policies. Please

note that the meetings at the OECD are open to all Member Delegations as well as members of the Austrian, Finnish, Swiss and Swedish Delegations.

Please do not hesitate to contact me if you have any questions regarding any of the above.
