I forbindelse med den danske ombudsmands institutions 50-års jubilæum afholdtes den 2. april 2005 et symposium med titlen *The Ombudsman between Legislator, Administration and Citizen – Developing the Ombudsman Concept*. Efterfølgende er indlæggen fra symposiet blevet samlet i vedlagte bog, *The Danish Ombudsman 2005, Part III*, som jeg sender til Retsudvalgets orientering.

Når også Part II foreligger (formentlig i løbet af foråret 2006), vil alle tre bind blive samlet i en kassette og sendt til hvert enkelt af Retsudvalgets medlemmer.

Med venlig hilsen

Hans Gammeltoft-Hansen

Note ved REU-Sekr.

Udvalgsmedlemmer kan låne bogen i udvalgssekretariatet.
