Dear Friend

The Government of Iraq formally requests the continued presence and work of the Danish military contingent in Southern Iraq as part of the Multi National Force mandated by UN Security Council Resolution 1546 to help the people of Iraq to achieve stability and a better future.

The Government of Iraq and the great majority of Iraqis welcome and appreciate the valuable contribution of the Danish military force in Iraq.

Under our system decisions related to the presence and mission of MNF is the sole competence of the central government of Iraq.

Please accept, Your Excellency, my best regards and the assurances of my highest consideration.
