His Excellency Christian Oldenburg  
Ambassador of Denmark  
Baghdad-Iraq

Dear Sir,

In continuation of the letter of 16 February 2006 from The Minister for Foreign Affairs of Iraq, H.E. Mr. Hoshyar Zebari, to The Foreign Minister of Denmark, H.E. Dr. Per Stig Moeller, I would like on behalf of the Government of Iraq to request that the ongoing Danish assistance to the reconstruction and development of Iraq continues, as it is highly appreciated by the Government of Iraq and of the great majority of Iraqis. Therefore, the Danish civilian advisors are most welcome in Iraq.

Questions regarding the Danish reconstruction assistance to Iraq and the presence of Danish civilian advisors in Iraq are the sole competence of the central Government of Iraq.

Barham A. Salih  
Minister of Planning and  
Development Cooperation
