Please forward this mail to your national members of the Intergovernmental Conference.

To whom it may concern,

Please find attached a document on behalf of the intergroup SOS-Democracy in the European Parliament, concerning proposals for the Intergovernmental Conference, which began July 23, 2007.

I hope you will support our proposals. If you are a member of the IGC, I hope you will put them forward there.

Please feel free to contact me with any questions or comments.

Kind regards,

Jens-Peter Bonde
