“Song of the Whale”

Song of the Whale, IFAW's whale research and education vessel is visiting Copenhagen at the invitation of the British Embassy, Copenhagen on 9th and 10th March 2008. We are contributing to the seminar on commercial whaling and evening reception hosted by the Embassy and the Society for the Conservation of Marine Mammals.

You are invited to visit the boat to find out more about IFAW's marine conservation and research work around the world. This is a rare opportunity to view the boat, and meet the team that work on her.

*The vessel will be berthed at
Havnegade, 1058 Copenhagen K, Berth 139*

For an appointment to visit the boat on 10th March, please contact Anja Andersen by telephone on (+45) 3544 5105 or email events.copenhagen@fco.gov.uk

Please reply by 29th February, 2008
