

Common Nordic pledge on neutral and independent humanitarian action

For the period 2008–2011, the Governments of the Nordic countries and the Nordic National Red Cross Societies hereby pledge to strengthen understanding of the Red Cross' neutral and independent approach to humanitarian action among key actors, such as decision makers, military personnel and humanitarian organisations. We further pledge to raise awareness among these key actors on the humanitarian consequences of any blurring of the distinction between humanitarian and political/military activities.

Signed at the 30. International Red Cross and Red Crescent Conference from 26. – 30. November 2007 in Geneva.
