Dear Jette,

It was nice talking to you. As I have promised here comes a short summary in writing.

Mr. Hans ten Feld, UNHCR Regional Representative for the Baltic and Nordic Countries is planning to come with a working visit to Copenhagen on May 6, 2008.

He will be meeting with the Ministry for Refugee, Immigration Appeals Board and Immigration Service, as well as with key NGO partners.

In connection to this mission we would like to propose a meeting at the Danish Parliament with the Immigration and Integration Affairs Committee for Mr. Ten Feld to pay a courtesy call and introduce himself to the Chair and committee members. Mr. Ten Feld will also use this chance to brief the committee on new developments and introduce Ms. Liv Feijen, Senior Regional Protection Officer who has joined the Office in April. We have tried to arrange for a similar meeting in the fall, but it appeared that parliament was not yet in session at the time.

So far UNHCR's Mission Schedule for May 6 has two commitments:

- early morning Meeting with DRC (tentatively 09-10:00)
- 14:00-16:00 Ministry of Refugee

Please let us know of your preferences, if 6 May appears feasible at all.

Attached you will find CV of Mr. Hans ten Feld and a short note on our office.

Looking forward to your reply,
Kind regards

Natalia Klarström
