with participation of the Swedish Presidency
taking place **in the European Parliament, Brussels,**

The year 2009 marks two important events - the 20th anniversary of democratic change in Central and Eastern Europe and the 70th anniversary of the signing of Molotov-Ribbentrop pact.

While celebrating the anniversary of the fall of the Berlin wall, which paved the way for uniting the European countries, we cannot forget about the need to unite our histories and consolidate understanding of Europe's past.

Bringing together speakers from many countries will help to create a better understanding of this historical path from Molotov-Ribbentrop pact to the fall of the Berlin wall and the reunification of Europe.

Looking forward to your participation

Please confirm your participation **no later than 12 October 2009**
