Ichiro Nomura. Assistant Director-General, FAO Fisheries and Aquaculture
- 16.40 Mingling with the press  
  
Demonstration of FEDS (Fisheries Electronic Documentation System)

Purpose: The purpose of the conference is to present the results of the trial with FEDS (Fisheries Electronic Documentation System) and to discuss how electronic monitoring systems and traceability can be instrumental in relation to a CFP based on fishermen's own accountability. In a broader context the global issue of retrieving "the sunken billions" (FAO/The World Bank: <http://tinyurl.com/SunkenBillions>) is considered.

Date: 8<sup>th</sup> October 2009

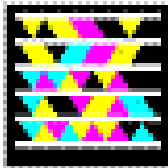

Place: Danfish International, Aalborg, Denmark: [www.danfish.com](http://www.danfish.com)
