Macacha Guemes 351, (1106) Buenos Aires, Argentina. on:

Identity badges will be issued at the time of registration, and participants are requested to wear them at all times, as they will be allowed access to the session venue only upon presentation of their badges.

It is of the utmost importance to accompany credentials with a passport-size photograph of each member of delegations attending COP 9. This will ensure a speedy pre-registration procedure, which will greatly reduce waiting time for delegates at the session venue.

5. Credentials

The credentials of representatives of Parties and the names of alternate representatives and advisers must be issued either by the Head of State or Government or by the Minister for Foreign Affairs. To ensure full participation in the work of the conference, it is recommended that representatives of Parties should be provided with full powers to participate in the session and, if necessary, to serve as officers of the COP and its subsidiary bodies, as well as of any committees or working groups of the session.

Credentials must be submitted to the secretariat of the Convention. The Bureau of COP 9 will examine the credentials and report to the session. Observer States and intergovernmental and non-governmental organizations must also be accredited.

It is strongly recommended that participants fax their credentials in advance to the secretariat in order to facilitate their registration during the conference:

Fax: (+49 228) 815 28 98 / 99

6. Information for the media

Representatives from the media can register at the Congress Center entrance at the back of the main entrance of the Hilton Buenos Aires Hotel (Av. Macacha Guemes 351, Buenos Aires, Argentina) during pre-registration and registration hours upon presentation of a valid press card.

Applicants for media accreditation need to provide the following documentation:

- A letter of introduction from their bureau chief
- A passport or identification card for identification purposes
- One passport size colour photograph
- A valid press card
- Request for accreditation of media representatives

The application form can be downloaded from the website <www.unccd.int>.

Applicants should send the above-mentioned documentation to the UNCCD secretariat at:

E-mail: press@unccd.int

Fax: (+49 228) 815 2898 / 99

All the above conditions apply to both local and foreign journalists. Local journalists are, however, advised to start the process of accreditation as soon as possible, at least one month before the conference. Foreign journalists may do so as soon as they arrive in the country.

A dedicated press and media working space will be available at the conference venue.

Additional information for media representatives on the Convention and the conference can be obtained from the Convention secretariat at the above-mentioned address.

7. How to get to the session venue

Airport

The Ezeiza International Airport (officially known as Aeropuerto Ministro Pistarini) is located about 37 km from the conference centre and handles most international flights. It is 30 minutes' drive away from downtown along a highway. Taxi, remise, transfer and bus services operate 24

hours a day. A taxi from one of Ezeiza's official stands into the city will cost about US\$ 20-30, including road tolls. Several companies also offer regular mini-bus shuttles for about US\$ 12. Alternatively, arrange in advance for a remise to pick you up ((+54 11) 4315-5115).

Flight information or operator, 24 hour service: (+54 11) 5480 6111. Website: <www.aa2000.com.ar>.

Public transport

Buenos Aires is served by five subway lines (Subtes) and more than 100 bus lines (colectivos). Taxis and private car services (remises) are popular because they are safe and economical. It is recommended to phone a radio taxi or a private car service: both will come to any destination in the city to collect a passenger at any time of the day or night.

Taxis are painted black or yellow. The taxi fare is shown on the meter in Argentine pesos (ARS); a 3-km journey should cost about ARS 10.00. Most taxi drivers will only accept small bills. Many radio taxis have a minimum charge of about ARS 8.00, and a few charge an extra fee for making a pick-up. Private car services are not identified by a special colour. The minimum fare is about ARS 7.00; the total fare varies according to distance covered and time elapsed.

Buses in Buenos Aires are cheap and go just about everywhere. A route planner with maps is available at newsstands.

The metro system is slightly cheaper than the bus, easier to use, and often faster than a taxi. Tickets can be bought for a single journey or for several; multi-trip tickets ("subtepass") offer no price advantage but they save the time that would be spent queuing at the ticket office.

The conference venue (Hilton Buenos Aires Hotel) is in the downtown Puerto Madero district, Buenos Aires City, just 30 minutes from Ministro Pistarini International Airport.

8. Hotel accommodation

A list of hotels, to guide delegates in their booking, is also attached in an annex to this document.

9. Services available for participants at the session venue

Information on medical services and emergency numbers, postal, telephone, fax, photocopying and Internet services, cafeterias and bars, banking services, travel agency and any other services available for participants will be published in the Official Journal of the session.

10. Immigration formalities and customs regulations

Visa regulations

Citizens of a number of countries need to have a visa before arriving in Argentina. Information and relevant procedures on this matter can be obtained from <www.mrecic.gov.ar/portal/temas_consulares/visas.html>.

The Government of Argentina has advised that applications for visa may be submitted, with reference to the COP session, to the nearest Argentine embassy or consulate. In those countries that do not have an Argentine embassy or consulate, participants may submit their application to an Argentine embassy or consulate in another country which covers the participant's country of origin, or to the embassy or consulate of another country which provides consular services on behalf of Argentina. Participants are advised to contact an embassy or consulate as early as possible to obtain precise information on regulations and deadlines for submission of applications. A complete list of Argentinian embassies and consulates can be found at <www.mrecic.gov.ar>.

Application requirements for a free-of-cost visa for COP 9 participants are:

- Letter of invitation for participation in COP 9 from the UNCCD secretariat;
- Valid passport (valid for 12 months from date of entry);
- Completed application form;
- One passport-size photo.

For detailed information on immigration regulations please visit the Argentine Ministry of Interior website at: <www.mininterior.gov.ar>.

Customs regulations

For detailed information on customs procedures please visit the Migration National Direction website at <www.mininterior.gov.ar/migraciones/permisos.asp>.

11. Side and parallel events

Participants wishing to organize side events during COP 9 are invited to send an application to:

E-mail: sideevents@unccd.int

Fax: (+49 228) 815 28 98/99

The application form can be downloaded from the UNCCD website. The deadline for submission of requests to the secretariat is 3 August 2009.

Participants are advised that the secretariat will be responsible only for room allocation. No additional services will be provided by the secretariat. Time slots and rooms will be accommodated according to availability, on a first-come-first-served basis. Additional services (interpretation, catering, etc.) may be obtained on commercial basis from local accredited providers. A list of available services from local providers will also be made public on the UNCCD website.

Participants are reminded that no side events may be organized during the working hours and the Special Segment of the conference (28–29 September).

A calendar of parallel events during COP 9 will be published in the Official Journal.

12. Exhibition facilities

Participants wishing to set up an exhibit are invited to contact:

E-mail: mmontoiro@unccd.int

Tel.: (+49 228) 815 28 06

Fax: (+49 228) 815 28 98/99

Participants are advised that the secretariat will be responsible only for space allocation. Applicants will be allotted a maximum 3 m² of exhibition space, which will be assigned with due consideration of relevance to the objectives of the UNCCD and equitable geographical distribution. The deadline for submission of requests to the secretariat is 1 August 2009.

Exhibitors will be responsible for customs clearance of their exhibition material in accordance with Argentine customs regulations. The secretariat may, however, provide assistance.
