

Dear Mr. Chairman,

I take this opportunity to greet you kindly from the Embassy of the Czech Republic in Denmark and on behalf of the Ambassador of the Czech Republic to Denmark, Mr. Zdenek Lycka, I dare to convey to you following request.

The Committee on Environment, Public Administration and Regional Development of the Senate of the Parliament of the Czech Republic asks kindly for possibility to organise a consultation with the relevant Committee (-s) of Folketing in Copenhagen during September or beginning of October 2009 (preferably in the week 42). The Czech Deputies want to combine the consultation in Denmark with the following working journey to Greenland afterwards.

The matters of interest that the Czech Deputies would like very much to discuss with the Danish colleagues from the Folketing are following:

- 1) Environment: climate-energy package and (preparation of the COP 15); Danish system of nature preservation; solution of the conflict between investors and interests of the nature preservation;
- 2) Public administration: system of the public administration, relation and division of labour among municipality, region, state; financing of the public administration; position of the mayor of the municipality; experiences with the use of the EU-funds for municipalities, regions
- 3) Parliament: functioning, relation MP – constituency, relation/cooperation Parliament - government

Dear Mr. Chairman, I can understand that the agenda of the interest is quite broad and probably enhance even the agenda of other committee (committees) of Folketing. I dare to suggest even the involvement of the Deputies from other relevant committees of Folketing into the consultation. I would like to ask you kindly to suggest the relevant committee for the particular questions, which are not in the portfolio of your Committee. For to get enough time for discussion I would like to suggest kindly to organise, if possible, a working meeting (consultation) and a working lunch directly in Folketing.

Dear Mr. Chairman, I dare to ask you for your kind cooperation on this request and I would be very much grateful for your response.

Thank you very much for your kind cooperation and assistance.  
Sincerely,

Jana Hynkova
