Hearing of the International Commission on Land Use Change & Ecosystems

A Hearing Session of the International Commission on Land Use Change & Ecosystems will be held during the main Session of the Legislators Forum. Each Commission will be asking the members of the Commission to hold similar nationally focussed evidence sessions to develop national position papers to be submitted to the Commission in response to a set of key questions. This session is intended to provide a demonstration of how such hearings could be organised.

Expert Testimony:

Commissioner Stavros Dimas

European Commissioner for Environment

Dr Pavan Sukdev

Leader of *The Economics of Ecosystems & Biodiversity* (TEEB) Study

Mr Corrado Clini

Chief Executive Italian Department of the Environment
