

HOUSE OF COMMONS

LONDON SW1A 0AA

1st May 2009

Dear GLOBE Member,

As President of the Global Legislators Organisation (GLOBE) I write with reference to the letter recently sent to the President/Speaker of your respective Parliament from the President of the Italian Chamber of Deputies, President Gianfranco Fini and the President of the Italian Senate, Senator Renato Giuseppe Schifani. The letter invited your President/Speaker to select a delegation to the forthcoming GLOBE Rome G8+5 Legislators Forum due to convene in the Italian Chamber of Deputies from the 12th-13th June 2009.

This will be the sixth G8+5 Legislators Forum and will convene just ahead of the Italian G8 Summit and the Major Emitters Forum. The Forum will be focussed on economics of energy, climate change and ecosystems and will be addressed by the Italian Prime Minister, Danish Prime Minister and the President of Brazil.

As requested in the Presidents' letters I write with specific information about the Forum. Please find attached the following documents:

- Draft Agenda
- Key Logistics Information
- Forum Registration Forum

Due to the rules of the Italian Senate & Chamber of Deputies any invitations to the Forum had to be formally issued through the offices of the Presidents of the Italian Chamber and Senate. As a result I would ask that you liaise with your respective legislature's President or Speaker to ensure participation as part of the official delegation. Following the selection of your delegation I would be grateful if your office could confirm the participants by the 18th May.

If your office have any questions regarding the arrangements of the Forum please do not hesitate to contact GLOBE's Project Director, Ms Gauri Kiik, on +44 (0)20 7222 6960 or on email: kiikg@parliament.uk.

I look forward to welcoming your delegation to the GLOBE Rome G8+5 Legislators Forum.

With very best wishes,

A handwritten signature in black ink that reads "Elliot Morley".

Rt Hon Elliot Morley MP
President
The Global Legislators Organisation
UK Prime Minister's Special Envoy on Climate
UK Parliament Chairman of the Select Committee on Energy & Climate Change Enc.
