Invitation – Jerusalem International Conference 2009
June 07th to 11th

Dear Mr. Thor Pedersen,

AMISRAEL – The messenger of Peace is a non-governmental organization aimed at the development and establishment of a culture of peace. Our goal is to work in coordination with government and society leaders to take initiatives which would help raise people's awareness about their individual and collective responsibilities in this process.

In order to achieve this goal, AMISRAEL yearly hosts an international conference in the city of Jerusalem, now in its fifth edition. The Jerusalem International Conference (JIC) is a political event of great importance, which approaches several challenges currently faced by humanity, in the areas of education, environment, poverty mitigation, health, peace and several others. World leaders of Latin America, Europe, Africa and other regions attend the conference, seeking to exchange ideas and reach a solution for the problems faced by their countries or regions.

The Jerusalem International Conference 2009: Together, will be held from June 7th to 11th, in Jerusalem Israel. The name chosen for this event represents our hopes of a more inclusive world and the common efforts we are willing to make to achieve it. The event is promoted by AMISRAEL with the support of the Israel Ministry of Foreign Affairs.

After the success achieved in the previous events, the Jerusalem International Conference has been consolidated as a multicultural and cosmopolitan forum, highly representative of the tendencies and opinions around the world, concerning politics, economy, jurisdiction and education. The participants will have the opportunity of exchanging ideas and experiences, at an international level, apart from attending lectures from prominent leaders from all over the world.

One of our goals this year is to increase the number of countries represented in the forums in order to bring a wider perspective to the subjects discussed. We are honored to invite your Excellency to represent your country before such an important audience. In case there should be any hindrances on your part to attending the event, we would kindly request you to indicate another representative of this Parliament house to do such.

We appreciate your kindness in replying to this invitation to the e-mail 2009@jic.co.il or directly via phone with Patrícia Mamede on: + 55 (62) 3095 6778, from 11am to 3pm GMT time.

Best regards,

Klebert Gonçalves
Regional Coordinator for JIC 2009
