Mr. Morten Villumsen  
Secretary of the Foreign Affairs Committee  
Folketinget  
Christiansborg

Denmark

Dear Mr. Villumsen,

Thank you for the opportunity to speak to the Danish Foreign Affairs Committee about the impact of the food, fuel and financial crises on the world's vulnerable people. I very much appreciated the awareness and support which committee members showed on these urgent issues, as well as their in-depth knowledge of WFP.

The Government of Denmark is an inspiration to the world for its generosity and unswerving dedication to deploying humanitarian solutions and life-saving support. As I said, we can make even more effective use of your generous support with early, flexible and predictable funding mechanisms.

Once again, thank you for enabling the constructive dialogue we shared on my trip to Denmark, and I look forward to working with you in our common vision of a healthier, more just and more stable world.

Sincerely,

Josette Sheeran
