Emne: The European International Iraqi solidarity delegation with Minorities in Iraq.

Dear all which are involved in the Iraqi case.

The link below is about my article which I publish in www.ankawa.com and others several Iraqi and Arabic websites

And Assyrians web.

It concern a bout my first visiting to homeland Iraq after at have been 26 years in exile.

My visiting was through the European international Iraqi solidarity delegation with Minorities in Iraq.

The link below is a bout the conference we held me- Therese Isho with my colleague Hassan Al- Mathcor in the Iraqi Parliament in Baghdad with photos from the conference.

We have also a Letter – Note which was support from more than 2200 educated and faithful people from the whole world which signed our petition showing there's solidarity with us. We give the Note with signatures to the Iraqi Parliament and asked them to be discuss it and to be followed in the Parliament.

My request is to read my article in the link a above and there will be more of them. This is the first article. You can put the article in Google translates then you can read and understand my note in the link in which is written in arabic.

Please let me now your opinion if you are already doing something to help the minority to still live and settle in there's homeland. Or if you think to make some activity to save the original people of Iraq. Let me now, so we can help in this question.

With best regards

Therese Isho
