Committee on Civil Liberties, Justice and Home Affairs
The Chairman

To the Chair of the committee concerned

Dear Colleague,

I am pleased to inform you that the European Parliament's Committee on Civil Liberties, Justice and Home Affairs (LIBE) will organise an Inter-parliamentary committee meeting with national Parliaments entitled " Democratic accountability in the Area of Freedom, Security and Justice: Europol, Eurojust, Frontex and Schengen".

The meeting will take place on **Monday 4 October from 15.00 to 18.30 and Tuesday 5 October from 9.00 to 12.30** in the European Parliament's premises in Brussels. It will be an occasion to invite Europol, Eurojust and Frontex representatives to present their activities to the European Parliament and the national Parliaments, and also to discuss with national Parliaments the oversight mechanisms that can be put in place in the framework of the development of agencies in the Area of freedom, security and justice.

I would like to invite a maximum of four representatives from national Parliaments - accompanied by two parliamentary officials - to participate in the event. As is customary, the participation of four Members also applies to bi-cameral Parliaments.

Should you be unable to attend, we would welcome any written contribution which can be distributed to the participants.

The practical details will be forwarded to your Parliament's Representatives directly responsible for relations with the European Parliament.

I look forward to your participation in our discussions.

Yours sincerely,

Juan Fernando LÓPEZ AGUILAR
