Dear Peter Bohlbro,

The Hessian parliament's budget committee is visiting Denmark on
September 3rd and 4th 2010.

The delegates are very interested in a meeting with representatives of
Finansudvalget of Folketinget to be informed about Denmark's budget
policy.

I would therefore like to enquire whether it would be possible for you to
receive them in the morning on Saturday, September 4th or in the
afternoon on Friday, September 3rd.

The group consists of 24 people and will be accompanied by a translator
(Danish - German).

Please do not hesitate to contact me for further information or to
discuss the time schedule.

I am looking very forward to hearing from you!

Med venlig hilsen
Pva.
Katharina Schütte
