Emne: Draft agenda of the 4th Cervical Cancer Summit Meeting

Dear Members,

Please find attached the draft agenda of the 4th Cervical Cancer Summit Meeting to be held on 26-27th January 2010 in the European Parliament. Your comments on this would be welcome as we want to make sure the congress meets your needs. Please take notice of the CCSM Session 3, New Technologies for Cervical Cancer Screening. We expect these presentations will be of interest to you but want to make sure you will not think this is a promotion of the products discussed. For these presentations, as for all presentations, we will work to ensure the speakers give balanced and unbiased data.

Your comments would be greatly appreciated.

Sincerely,

Sigita Bagdoniene
