CROSSING BORDERS - BRIDGING GAPS

WELCOME TO THE OPENING RECEPTION  
DECEMBER 2ND, 18.30 - 21.00 HRS

Crossing Borders – Bridging Gaps is a EU presidency conference on the planning and design of infrastructure. The conference is hosted by the Swedish Museum of Architecture, the Ministry of Culture, the Swedish Association of Architects and the European Forum for Architectural Policies.

The Öresund Region is an excellent example of integration across country borders between Sweden and Denmark. The Öresund Committee is the forum for political cooperation to promote regional cross-border cooperation.

We are pleased to invite you to the Opening Reception of the conference:
