Dear Mr. Kofod,

It was a pleasure meeting you and your colleagues from the Foreign Policy Committee at Folketinget on March 25. I very much enjoyed our discussion, and was impressed by the commitment of your members to development and their knowledge of the issues and of the World Bank Group. I hope that you will be able to share your assessment of the meeting with other colleagues from the Foreign Policy Committee and, as a board member of the Parliamentary Network on the World Bank (PNoWB), with your colleagues from the Nordic and Baltic chapter.

I appreciate and welcome your continued engagement with the World Bank Group, and hope that PNoWB will be able to support MPs – especially those from developing countries – in promoting inclusive policy-making on development issues.

*Thank you very much  
for helping to convene  
this session. I enjoyed  
meeting you & your colleagues,  
& benefited from*

Sincerely,

*Bob*
