(SPEAKER, HOUSE OF REPRESENTATIVES)

PARLIMEN MALAYSIA
KUALA LUMPUR

LEDELSESSEKRETAR

Dato 1/7-10 K1

07 June 2010

Madam President
Mr. President

Your Excellency,

I had written to Your Excellency on 14 January 2010, forwarding the resolution passed by the House of Representatives condemning the attacks on the Palestinian Territory of Gaza.

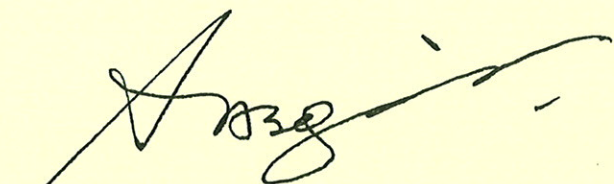

It saddens me once again many civilian lives were lost due to the recent attack by the Zionist Military regime in international waters on the Freedom Flotilla vessel convoy carrying humanitarian aid to Gaza.

The House of Representatives of Malaysia on 7 June 2010 had unanimously passed a resolution **STRONGLY CONDEMNING** the inhumane act which resulted in deaths and injuries to the civilians. This resolution carries the voice and the feelings of the people of Malaysia.

Malaysia stands firm that there is no justification at all for the excessive use of force on the humanitarian aid vessels bound for Gaza in aid of the Palestinian People.

"Palestine will continue being a moral issue", until the International Community to take a more affirmative action, and as keepers of democracy, I pray that this resolution will be able to appeal to the Parliament of all countries, to make every effort to ensure that justice will prevail for the victims of the attack and that the People of Palestine will once again see the light of freedom.

Please accept the assurance of my highest consideration and respect.
