

20 June 2011

Dear Members,

PNoWB will participate in the [2011 World Bank/IMF Annual Meetings](#) with a special parliamentary program from 19-22 September, in Washington D.C. We will organize a parliamentary workshop on 20 September and the delegation will have the opportunity to engage in a direct dialogue with World Bank and IMF leadership. This will be a privileged occasion to meet the newly elected IMF Managing Director, Ms. Christine Lagarde. Participants will also have the opportunity to take part in the Programme of Seminars and Civil Society Policy Forum. We strongly encourage PNoWB Members who would be interested in participating in the 2011 Annual Meetings to send an e-mail to [secretariat@pnowb.org](mailto:secretariat@pnowb.org).

Best wishes,
