

Dear colleagues, following our meeting this morning for which I thank you all very much, I am sending below and in the attached document the information I have got concerning the initiative of STOA to organise a meeting in which they would like to count with the participation of Members of the National Parliaments.

We will provide more information as soon as it will be available and if you would like to meet with the responsible officials in STOA service I would be pleased to organise a meeting for you with them at the best convenience for everybody.

I remain at your disposal.

Best regards,

Josep M.

STOA (the Science and Technology Options Assessment Panel of the EP) wishes to organise a Meeting with National Parliaments on Parliamentary Technology Assessment

Date : 7 September 2011, 15:00-18:30

Place : European Parliament, Brussels, Room ASP 5G-2

Attendees : MEPs and MPs from members of the EPTA (European Parliamentary Technology Assessment) Network + Chairpersons of relevant committees in National Parliaments

The objective of the meeting is to inform M(E)Ps about the current state of Technology Assessment in Europe and also to make possible an exchange between MPs and MEPs about the future of Technology Assessment in Parliaments.

The attached document contains more detailed information about the meeting.

You are kindly requested to inform interested committees/MPs in your own institution about the meeting and about the usefulness of being represented in the meeting.

For any further information please contact: Miklós Györffi, STOA Secretariat, Directorate E: Legislative Coordination and Conciliations, Directorate General for Internal Policies, European Parliament, Rue Wiertz 60, ATR 00K076, B-1047 Brussels; E-mail: miklos.gyoerffi@europarl.europa.eu; Tel: +32-2-2832505."
