Subject: Directive 2002/15/EC

Dear Mr. Ruete,

In your letter of 12 July 2010 you asked for information on the implementation of Directive 2002/15 with regard to self-employed drivers.

From a Danish point of view it is not yet clear how the directive should be implemented, especially how the provisions of the directive can possibly be enforced vis-a-vis self-employed drivers.

Accordingly, the Danish government will appreciate if a meeting between the Commission and our national experts can be arranged. The Danish government believes that it could be very useful to exchange preliminary views and discuss considerations regarding enforcement and expectations of the Commission on the possible implementation of the directive with regard to self-employed drivers at such a meeting.

Yours sincerely

Jonas Bering Liisberg
Ambassador, Deputy Permanent Representative
