

Ministry of Science, Innovation  
and Higher Education

18 January 2012

Dear Sir or Madam,

We are delighted and honoured to extend an invitation to you as a delegate to the **International Conference for Research Infrastructures (ICRI 2012)**, co-organized by the Danish Ministry of Science, Innovation and Higher Education and the European Commission. The ICRI 2012 Conference will take place in Copenhagen, Denmark on **21, 22 and 23 March 2012**, under the auspices of the Danish EU Council Presidency.

The ambition of the conference is to highlight how global research infrastructures can respond to the Grand Challenges: lessons, priorities and future directions. One important output from the conference is specific recommendations on international cooperation on research infrastructures. This may include calling for a coordinated support and strengthening of existing initiatives, highlighting possible needs for additional efforts, and developing a vision of open science.

**We kindly encourage you to register already today in order for you to reserve the best suitable accommodation.**

#### Registration

Please go to the conference web-site [www.icri2012.dk](http://www.icri2012.dk) and select the "Registration" option on the top menu bar, select "New Registration", insert your code to register and tick the "Delegate" option.
