Udvalget for Forskning, Innovation og Videregående Uddannelser
Att. sekr. Finn Skriver Frandsen
Folketinget, Christiansborg
1240 København K

Kære Finn Skriver Frandsen,

Det Kongelige Danske Kunstakademiske Skoler for Arkitektur, Design og Konservering vil gerne sige tak for Folketingets Uddannelsesudvalgs besøg torsdag den 26. januar.

Vi var rigtig glade for at få lejlighed til at give udvalget og ministeren et hurtigt indblik i vores institution og kreative miljøer.

Vi fremsender hermed de publikationer som var lagt frem ved besøget, således at også de fraværende udvalgsmedlemmer får mulighed for at stifte bekendtskab med vores uddannelser og forskning.

På KADK's vegne

Med venlig hilsen

MEMORI

SEVENTH FRAMEWORK
PROGRAMME

Measurement, Effect Assessment and Mitigation of Pollutant Impact on Movable Cultural Assets – Innovative Research for Market Transfer

EU FP7 – Supported Collaborative Project: 265132

■ MEMORI is an EU research project funded through the Seventh Framework Programme, Environment (including Climate Change). Sub-programme Area: "Non-destructive diagnosis technologies for the safe conservation of movable cultural assets".

■ The project, supported by the European Commission, Directorate General "Research & Innovation", Directorate I "Environment", started in November 2010 and will be finalised in October 2013.
