KPH Award 2012

October 5th 2012 18.00-03.00

A Nordic Cultural award that builds networks and celebrates entrepreneurs who contribute positively to urban development, social innovation and culture.

The fourth sector is ready to change and solve problems of our society.

Get inspired and network with multidisciplinary Nordic cultural and social innovators.

Workshops and KPH Award on October 5th.

October 6th we invite everyone for networking and brunch.

Young Engineers' Solutions 2012 (YES)

October 4th-6th 2012

Join us in solving tomorrow's challenges today.

Workshop for young engineers of the future.

We meet across educational backgrounds and nationalities to solve 10 key challenges of future urban living. The challenges are real. Posed by organizations, the City of Copenhagen, and local communities who face problems in developing, living, and working in a sustainable city.
