Der er allerede aftalt et møde mellem delegationen og Beskæftigelsesudvalget den 2. maj 2012 fra 9.00-10.00, og det er derfor foreslået, at de to møder slås sammen.

Delegationen ønsker at høre om et eller flere af nedenstående punkter, hvor Beskæftigelsesudvalget også er spurgt om emnet under pkt. 1:

1. Cooperation system between Danish Parliament and Government - especially in decision making process
2. Expected changes on Social Service level in connection with adoption of Government budget ceiling:
 - Welfare Policy best practice case study i.e. elderly care in Odense municipality
 - Welfare Policy changes, if any, in connection with change of government since Oct. 2011
