Dear Ambassador,

OECD High-Level Parliamentary Seminar on "Best Practices in Governance: The Role of Parliaments", 8-9 March 2012 (Chile)

The next OECD High-Level Parliamentary Seminar on "Best Practices in Governance: The Role of Parliaments" will take place on Thursday 8 and Friday 9 March 2012. Thanks to the kind offer of the Chilean Chamber of Deputies the seminar will be held in Santiago de Chile. This is the first time that an OECD High-Level Parliamentary Seminar takes place outside Paris.

The seminar is open to representatives from the parliamentary/legislative branch of government. It offers an exceptional opportunity for Members of Parliament to exchange views with their colleagues and OECD experts on a range of key issues. Observers from delegations or OECD embassies in Chile are welcome to attend. You will find attached the seminar programme.

More detailed information about the event is available on the OECD website (www.oecd.org/parliamentarians). If you have other topics to suggest, your office may wish to contact Jennifer Bisping, (jennifer.bisping@oecd.org, Tel: +33 1 45 24 93 26) and Silvia Terrón, (silvia.terron@oecd.org; Tel: +33 1 45 24 95 72).

We would be very grateful if you could share the information about this upcoming seminar with parliamentary representatives from your country who might be interested in attending, and inform us if your delegation or embassy in Santiago will be represented.

Best regards.
