Dear Finn,

This is Mia Zou from the Chinese Embassy, political section. It was very nice talking to you earlier today.

As I have briefly talked over the phone, a Chinese delegation of the Chinese people's political consultative conference (CPPCC) subcommittee for ethnic and religious affairs would like to visit Denmark from 16 to 19 September, led by Mr. Tian Congming, consisting of 6 delegates. The delegation wishes to have exchanges on ethnic and religious affairs with your parliamentarians, so we think that the ecclesiastical committee might be the right counterpart to meet with our delegation. So we want to ask your kind help to arrange a meeting (about 1 hour) between your committee and the delegation either on September 17 or 18. Right now we don't have a detailed programme, so you can propose which time is more convenient for your committee. Besides, I will also contact the foreign policy committee and the agriculture committee of the parliament to arrange other meetings on September 17 or 18, since the second purpose of the delegation is to learn the Danish experience on animal husbandary.

I have attached the introduction to our subcommittee, the cv of the head of delegation and the name list, for your information. Hope it can be of help.

Many thanks again for your kind help. Please feel free to contact me through email or telephone if there are any questions.

Best Regards,

Mia Zou
