Subject: OECD Parliamentary Days, 11-13 February 2013 / Journées parlementaires de l'OCDE, 11-13 février 2013

Dear Ambassador,

We would like to call your attention to the first OECD Parliamentary Days that will take place in Paris on 11-13 February 2013. This will include a dinner reception on 11 February, a High-Level Parliamentary Seminar (12 February), and bilateral meetings with OECD experts (11 and 13 February). We would be very grateful if you could share the dates of the upcoming OECD Parliamentary Days and the High-Level Parliamentary Seminar with parliamentary representatives from your country who might be interested in attending. In particular, we would like to attract MPs focusing on trade, tax and the banking sector/financial regulation.

The High-Level Parliamentary Seminar will be held at the [OECD Conference Centre](#) (CC10). It will offer an opportunity for parliamentarians and legislators to exchange views with their colleagues and OECD experts on a range of key issues, with a specific focus on trade, tax and banking/financial regulation issues. Besides bilateral meeting with OECD experts, we also look forward to include in the programme meetings between parliamentarians and OECD delegations. As MPs from your country register and express their specific interest, the Public Affairs and Communications Directorate will liaise with you on the best timing for these potential meetings and possible subject areas for discussion.

Further details will be provided closer to the date, and will also be available on the OECD website [www.oecd.org/parliamentarians](http://www.oecd.org/parliamentarians). In the meantime, your office may wish to contact Jennifer Bisping ([jennifer.bisping@oecd.org](mailto:jennifer.bisping@oecd.org), Tel: +33 1 45 24 93 26) and Silvia Terrón ([silvia.terron@oecd.org](mailto:silvia.terron@oecd.org); Tel: +33 1 45 24 95 72) for further information.

A summary of the session of the High-Level Parliamentary Seminar that took place in October 2012 on better policies for inclusive growth and integrity is available [here](#), for further reference.

Thank you in advance for your collaboration in making the first OECD Parliamentary Days a great success.
