Ambassador of Japan Mr. Toshio Sano (CV is attached) is grateful that many of the Danish parliamentarians and the Committees of the Danish Parliament show interests in Japanese Affairs. Ambassador Sano knows for a fact that several of the Danish Ministers and Committees have recently visited Japan.

Ambassador Sano would therefore like to invite those of you who have not yet visited Japan to a briefing luncheon, as follows:

Ambassador Sano looks forward to welcoming as many of you as possible at his residence.

Yours sincerely / Med venlig hilsen
