

Parliament of Finland
The Committee for the Future

April 2013

Dear friend,

On behalf of the Committee for the Future in the Finnish Parliament I have a great honor to invite you to take part in the next European Parliamentary Technology Assessment (EPTA) council meeting. My committee is hosting this EPTA-meeting and we wanted to invite you all in Lapland.

The arctic is the big issue this time in the seminar.

Looking forward to welcoming you to Lapland from **the 22nd to the 24th of September 2013**.

Yours sincerely,

Päivi Lipponen
Chair of the Committee for the Future
The Finnish Parliament
