

Interparliamentary Committee Meeting on

"WOMEN'S RESPONSE TO THE CRISIS"

7 March 2013

Questionnaire addressed to national parliaments for a written contribution

Replies to the questionnaire (around one page in English or French) shall be sent by 15 February 2013 to femm-secretariat@europarl.europa.eu.

Question 1

Has your Parliament in recent years addressed the issue of the impact of the economic and financial crisis on women? If so, in which format?

Question 2

Have specific measures for the protection of women during the crisis been identified in your country in decisions/resolutions or in the broader political debate?

Question 3

Does your Parliament envisage any policy and/or legal initiative in order to improve the situation of women during the crisis?

Question 4

- What kind of specific activities (information campaign, promotion of best practices, training, etc.) on gender aspects of the economic and financial crisis have been put in place?

- What kind of positive effect(s) resulted from such activities?
