Workshops

For the workshops the participants will be divided into groups, each composed of representatives from the invited stakeholders, Councils for the Judiciary, Court Administrations, judges, advocates, prosecutors, and politicians. Each group will be invited to discuss relevant subjects listed below, on basis of more detailed reference papers specifying questions to be addressed

- I Reduction of Caseload
 - Judicial dispute prevention
 - Alternative dispute resolution
 - Amicable settlement
 - Extended competence of lower courts – limitation of appeal
 - Multiparty actions

- II Capacity Management
 - Balancing load and capacity
 - Transfer of cases, reallocation of judges, flying brigades
 - Retired judges and juridical assistants
 - Composition of the tribunal

- III Procedures and Case Management
 - Procedural steps – reduction and time limitation
 - Case management, call-overs
 - Hearing – reduction and limitation
 - Written judgements – simplification and limitation
 - Small case procedures

- IV Processing and Goals
 - Video and telephone meetings
 - Electronic recording
 - Electronic tracing and filing
 - Specialization
 - Staff
 - Court rooms
 - Requirements and goals for processing time
 - Consequences of not fulfilment
