Dear Ambassador,

We would like to call your attention to the next OECD High-level Parliamentary Seminar, which will take place on Monday 17 and Tuesday 18 June 2013. Thanks to the kind offer of the Swedish Parliament the seminar will be held in Stockholm. As you are aware, in addition to our regular seminars in Paris, last year we started to hold an annual High-Level Parliamentary Seminar 'on the road' in a Member country, with the first of such seminars held in Chile in March 2012.

This High-Level Parliamentary Seminar on "From Economic Turbulence to Inclusive Growth: Lessons from the Nordic Model?" will be held at Swedish Parliament. It will offer an opportunity for parliamentarians to exchange views with their peers and OECD experts on a range of key issues, with, on the one hand, a specific focus on inclusive growth and the Nordic model and, on the other hand, on how parliaments can learn from experts and independent sources. The Secretary-General as well as the Swedish Minister of Financial Markets Mr. Peter Norman are likely to speak at the seminar.

Please find attached a draft programme, which is also available on the OECD website (www.oecd.org/parliamentarians).

We would be very grateful if you could share this information with parliamentary representatives from your country who might be interested in attending.

Looking further ahead, the following High-Level Parliamentary Seminar in Paris will take place on Wednesday 2 October 2013. Please note that this seminar will be held the day after the enlarged annual debate on the activities of the OECD of the Council of Europe Parliamentary Assembly, which will be held on October 1 in Strasbourg. The two events will be held back-to-back to facilitate parliamentary participation in both. The programme of the seminar is currently under preparation. We will share more details closer to the date.
