# Ikke i mål, men vendt udviklingen

Værne om  
**netværksfordeler!**

# Sikre god sammenhæng!

A young boy with light brown hair and blue eyes is looking out of a train window. He has his hand resting against his chin, looking thoughtfully at the landscape outside. The window frame is white, and the view through the window shows a vast, flat field under a sky filled with large, orange and yellow clouds at sunset or sunrise.

**Held og lykke med  
at skabe rammerne for  
fremtidens jernbane**
