Seeking for help and advice to save Rohingya people in Myanmar

Dear Gro Iversen

I pray that this message may find you in the best of health and high in humanistic spirits.

My name is Zakaria Abdul Rahim, living in Lindved, Vejle. I am a coordinator of Burmese Rohingya Community in Denmark (BRCD) and general secretary of European Rohingya Council (ERC).

UN says Rohingya people are most persecuted people in the world. But not much people know about it. That is why we (BRCD) wants to plan a seminar, titled "Burma's Reforms and the Persecution of Burma's Rohingya".

As i know a lot of Danish investors going to Invest in Myanmar soon. But security in Myanmar is still very bad. Here in Denmark media not showing what is really going on on the ground, but only showing reform in positive.

There for (BRCD) wants to plan a seminar, titled "Burma's Reforms and the Persecution of Burma's Rohingya". As we wish to have true democracy in Burma, people all around the world as well as danish people have to know what is going on turely. The seminar will let people know what is going on in Burma.

We are seeking for help and advice how can we let all people know about this persecution.
