

**WORLD ENERGY COUNCIL**  
LE CONSEIL MONDIAL DE L'ÉNERGIE  
DANISH MEMBER COMMITTEE

## WORLD ENERGY RESOURCES 2013 SURVEY

Do we need to reinvent the peak oil theory?  
How do we promote sustainable energy in a world with  
huge resources of fossil fuels?  
Can we reach a peak biomass situation?

23 January 2014, 14:00 – 17:00  
Siemens, Borupvang 9, 2750 Ballerup  
Register at [natlab@dtu.dk](mailto:natlab@dtu.dk), latest at 20 January

PROGRAMME IS ATTACHED

Yours sincerely  
Leif Sønderberg Petersen  
Secretary-general  
World Energy Council – Danish National Committee
