To the Chair of the Committee concerned

**Subject: Joint Committee Meeting on *The EU Internal Energy Market for the 21st Century*, 17 December 2013.**

Dear colleague,

The Joint Committee Meeting on '*The EU Internal Energy Market for the 21st Century*' co-organised by the European Parliament and the Seimas of the Republic of Lithuania was successfully held on 17 December 2013. We would like to express our sincere appreciation to the Committees which participated in the Joint Committee Meeting.

We believe that our discussions have clearly shown that a dialogue between the European Parliament and the national Parliaments on the completion of the EU internal energy market is worthwhile and should be developed further. We have the pleasure to send you, as an attachment, a Presidency summary report of the meeting.

Your feedback and observations on the meeting would be welcome, in particular concerning its content, format and procedure, so that we can take them into account in organising future events with the national Parliaments.

We thank all participating Committees once again for your cooperation and look forward to working together in the future.

Yours sincerely,

**Amalia Sartori**  
Chairman of the Committee  
on Industry, Energy and  
Research (ITRE) of the  
European Parliament

**Remigijus Žemaitaitis**  
Chair of the Committee on  
Economics of the Seimas of the  
Republic of Lithuania
