EUFORES Parliamentary Dinner Debate

A Binding Future for the RES Target? - A 2030 Package Discussion -

Dear Member of EUFORES,
Dear Member of the European Parliament,
Dear Energy Expert,

EUFORES has the pleasure to invite you to the Parliamentary Dinner Debate "A Binding Future for the RES Target? - A 2030 Package Discussion" on:

Tuesday, 5 November 2013, 18:00-21:00
Members Salon, European Parliament, Brussels

The focus point of this dinner will be on the **3 binding targets discussion** within the European Commission Green Paper on the 2030 Framework for Climate and Energy - particularly the **RES binding target** will be in the spotlight during this debate. As decision deadlines are closing in on both the European Commission paper and the European Parliament own initiative report on the topic, **now is the time to discuss these issues**.

We would be delighted if you could join the discussion on 5 November.

This dinner is organised in the framework of the [Keep-on-track!](#) project.
