EUFORES Parliamentary Dinner Debate

"State Aid Guidelines"

Dear Member of EUFORES,
Dear Member of the European Parliament,
Dear Energy Expert,

EUFORES has the pleasure to invite you to the Parliamentary Dinner Debate on State Aid Guidelines on:

Tuesday, 3 December 2013, 18:00-21:00
Members Salon, European Parliament, Brussels

The European Commission is in the process of modernising its rules on **state aid for environmental protection** which includes renewable energy sources. At the same time, the European Commission is considering to extend the scope of the guidelines to areas where there are no rules at the moment.

The focus point of this dinner will be on **specific areas included in the guidelines**, more specifically whether nuclear energy will be included and a technology-neutral bidding process will be authorised. We will pay special attention to the mentioning of renewable energy sources in the guidelines which are due to be adopted in the **first half of 2014**.

We would be delighted if you could join the discussion on this very topical issue on 3 December 2013. More information on the programme will follow very soon.

Please confirm your participation **by Monday 25 November 2013** to

Claude Turmes
President

Fiona Hall
Vice-President

Anni Podimata
Vice-President
