

## البرلمان المصري EGYPT PARLIAMENT

### Gentlemen / PRESIDENT OF PARLIAMENT

We, the elected deputies of the Egyptian Parliament, and representative of the last elected Parliament in Egyptian based on Constitutional Legitimacy, and the law, would like to present the following to your respected council;

According to the Inter-Parliamentary Union's roster that it uses to deal with the last elected Parliament based on the mechanisms of democracy unless the public elects a new Parliament based on the same mechanisms and under the Legitimation of Authority's umbrella.

And since the Armed Forces of Egypt performed a coup On the 3rd of July the Armed Forces performed a coup that overthrew the president and his legitimacy, kidnapped him, and revoked the Constitution, law, seized control over public freedom and exacted oppression, torture, murder, and detained a number of the Parliament's deputies.

It was decided by us, the representatives of the Egyptian people, the following:

- 1- The Parliamentary sessions are to be resumed, and continuously held, for this time for Egypt is very critical.
- 2- Not recognizing the legislations issued by the authorities of the military coup, considering that it is illegal, and disclaiming the people of Egypt the responsibility of what results out of such legislations.
- 3- Not recognizing any and all laws, bills and signed agreements issued by the authorities of the military coup with any pupils, entities, organizations, or countries, and disclaim the people of Egypt the responsibility of what results out of such acts.

We hope for prompt visit, during which we will present to respected council the complete scope of the situation, since up to support the pupil's rights to their freedom and the dissemination of power according to the mechanisms of democracy that you have adopted.
